Australia's Christmas Spirit

ASPA Education is the second of two branches of the Australian School of Performing Arts which has been delivering high quality performing arts education since 1984. Our reputation has been founded on the highly successful Australian Girls Choir which now trains over 6,000 girls across the country. In the past ten years ASPA Education has delivered programs to more than 50,000 students and teachers from over 250 schools.

ASPA EDUCATION

Australia's Christmas Spirit

Take the pressure off in Term 4 and let ASPA Education take the reins as we help you deliver a fun and festive Christmas Concert for your school. We know how important it is to create an enjoyable experience for staff and students, as well as an entertaining concert for parents. Teachers have raved about how much they have learnt from observing the ASPA Education team, and parents cannot believe the lift in standard of school events.

Each concert is designed in consultation with the specific school and tailored to their needs.

Our standard package includes:

- A massed opening song
- A massed finale medley of songs from the musical 'Wise Guys and Starry Skies' that tells the story of Christmas
- A range of traditional Christmas Carols that can be performed by individual classes or year levels.
- Repertoire selection and music licensing
- A script for the senior students so they can compere the show
- Choreography for selected songs
- A resource pack for each class – sheet music, word sheets, activities and rehearsal tracks
- 1 x ASPA Education Instructor to teach all of the content during in-school workshops over 3 - 5 weeks
- 1 - 2 ASPA Education Instructors to stage manage and lead the performance

"Rosie was amazing! Our girls loved working with her and we were so pleased with the results. The staff all commented on how engaging she was, making wonderful connections with students and really allowing them to enjoy the process. She was very generous with her time, and her talents are incredible. Thank you for sending her our way. The flexibility of the staff member in understanding the demands of working in a busy school, meant that nothing was ever too hard or difficult. Our students picked up on this relaxed manner and enjoyed the performance and process immensely."

Allison Prandolini, Head of Junior School, Tintern Grammar

"I have recommended you to many schools. You were both exceptional and professional. As we have dealt with other companies never have we experienced the support and organisation of script, music etc. as we did with ASPA."

Angela Faiola, Deputy Principal, St Frances de Sales Primary School
