

Australian Girls Choir Music Tutors - is this you?

- You have a background in performing arts
- You value girls' education
- You're interested in engaging with and teaching children

The **Australian Girls Choir** is looking for music tutors - all levels of experience welcome. Apply now to join our inspiring and dynamic tutor team.

Operating nationally with over 6,500 girls in training, the AGC encourages, challenges and inspires girls as they learn to sing, dance and perform. Girls grow in confidence and take pride in developing music and presentation skills in our dynamic rehearsals and classes. This is where you come in!

Tutor positions are suitable for choral or music teachers who have broad Performing Arts skills and an interest in teaching a curriculum that is more 'music theatre' than 'traditional choral'. Applicants must have relevant performing arts experience and/or education qualifications. Our innovative approach to the choir model and professional standards of performance require staff members who are energetic, spontaneous and flexible. Our repertoire ranges from early music to contemporary popular with performances including theatrical elements.

In addition to employing experienced teachers we also run a paid training program where less experienced applicants might begin their career with us. Those applying to be a Tutor Trainee need a musical or vocal background and an interest in engaging with and teaching children. Teaching experience is not required as you will be mentored by an AGC Tutor, with the aim of gaining a tutoring position with the AGC in the future.

All training and teaching hours are paid. Rehearsals are held on weeknights or Saturday mornings during school terms in Adelaide, Brisbane, Canberra, Melbourne, Perth and Sydney at venues in lots of different suburbs. Additional weekend work for concerts or special rehearsals is sometimes required. Successful candidates will be working with our junior levels (girls aged 5 -12 years) so enthusiasm for these ages is important. Paid training will commence in Semester 2, 2019 and new positions for Tutors will be available in 2020.

Email your one page expression of interest and resumé (in one document) to hr@aspagroup.com.au and we'll keep you informed of your progress.
