"Sally was very engaging and delivered the content with a lot of enthusiasm which held the students' attention. She made enquiries about the sort of content I was looking for, and then tailored the program to suit our needs. Her ability to voice match the children was amazing to watch."

Peter Bucher, Music Teacher, Murrumbena Primary School

"Fabulous teachers full of energy and fun, and highly skilled. I love having ASPA workshops. Cannot praise the teachers enough. They definitely knew how to get the best out of the students while making it really fun too."
