

AUSTRALIAN GIRLS CHOIR

The Australian Girls Choir is looking for enthusiastic and motivated singing teachers and trainees to join our team in 2022!

Why Australian Girls Choir (AGC)?

We're an **innovative, collaborative and dynamic workplace**, where a shared interest for the performing arts brings together many people from a variety of backgrounds with unique skills. Facilitating **individual growth with ongoing training and development**, we know that people (you!) are important drivers of our success. So, we strive to connect, inspire and support every staff member, which is why we have many long-standing employees of more than 10 years.

We have a number of opportunities available within our team for individuals with varying levels of experience in performing arts and teaching, including singing teachers or those individuals with a music education background, trainee singing teachers with no experience required and venue managers who ideally have experience in customer service and an avid interest in the performing arts.

Successful teaching applicants will have:

- A passion for girls' education and champion the value of Performing Arts participation
- Experience or interest in music, performing arts and education
- Commitment to teaching weekly classes during school terms as well as occasional weekend work for events
- A valid Working with Children's Check and, preferably, a driver's licence
- Experience teaching groups of children between the ages of 5 and 11 (desired)
- A qualification in music and/or teaching or working towards a qualification in either field (desired)
- Experience with the Kodaly method of teaching (desired)

Successful venue manager applicants will have:

- An interest in the arts and/or passion for girls' education
- Experience in customer service roles such as hospitality, retail or administration (desired)
- Commitment to working weekly during school terms as well as occasional weekend work for events (required)
- A valid Working with Children's Check and, preferably, a driver's licence

Excellent presentation, well-developed communication and interpersonal skills are essential for all roles, along with a passion for the performing arts and an interest and love of engaging children.

As classes are extra-curricular most of our casual staff members study or hold full-time positions outside the AGC. Many of our tutors find that working with the AGC provides them with an opportunity to collaborate with a dynamic team of teaching professionals; complements their performance practice and contributes to their sense of personal achievement.

ASPA embodies **passion, enthusiasm, dedication and energy**. We work hard but have a lot of fun too!

If you have a passion for teaching and the performing arts, and can't wait to bring your enthusiasm, energy and flair to our team, send your cover letter and resume attention Kylie Lee-Archer, at hr@aspagroup.com.au.

Applications close Friday December 17.
