

AUSTRALIAN GIRLS CHOIR

Accompanist & Senior Choral Tutor (part-time casual)

Join our dynamic Canberra Australian Girls Choir team: Inspire, educate, and lead young singers!

Looking to add a few weekly hours of rewarding work in the Performing Arts that will fulfil your artistic side?

The Australian Girls Choir (AGC) is Australia's leading children's performing arts organisation, dedicated to empowering girls through music. We have more than 6,500 choristers training in six Australian cities and are looking for an experienced accompanist and choral educator to join our senior team in **Canberra**.

We're an **innovative, collaborative and dynamic workplace**, where a shared interest in the performing arts brings together many people with unique skills from a variety of backgrounds.

We are seeking a suitably qualified accompanist, choral educator and leader with enthusiasm, energy and proven teaching skills to work with our Performing Choir choristers – our most senior level.

Successful applicants will have:

- Excellent piano accompanist skills
- Experience in music, performing arts, choral conducting and/or education
- A passion for girls' education and the drive to champion the value of Performing Arts participation
- Experience teaching groups of young people between the ages of 13 and 18
- Commitment to teaching weekly classes during school terms as well as occasional weekend work for events
- A qualification in music and/or teaching (desired)
- Experience with the Kodaly method of teaching (desired)
- A valid Working with Children's Check

About the role:

This role includes accompanying and team-teaching weekly classes on Thursday evenings during school terms, as well as working at AGC concerts & rehearsal weekends – this may include up to 8 weekends per year. The successful applicant will preferably attend our annual residential music school, which runs for approximately 5 days and falls during the April school holidays.

Applicants will have well-developed communication and interpersonal skills, the ability to work within a team, as well as broad performing arts skills and an interest in teaching wide-ranging repertoire featuring dynamic staging and choreography.

As classes are extra-curricular most of our casual staff members study or hold full-time positions outside the AGC. Many of our tutors find that working with the AGC provides them with an opportunity to collaborate with a dynamic team of teaching professionals; complements their performance practice and contributes to their sense of personal achievement.

ASPA embodies **enthusiasm, dedication and energy**. We work hard but have a lot of fun too!

If you're interested in working with us please send your one page cover letter and resume in one document addressed to our HR Administrator, Jacinta Simpson.
