

Concerts and Musicals

ASPA Education is part of the Australian School of Performing Arts which has been delivering high quality performing arts education since 1984. Our reputation has been founded on the highly successful Australian Girls Choir which now trains 6,500 girls across the country. In the past fifteen years ASPA Education has delivered programs to more than 50,000 students and teachers from over 250 schools.

Concerts and Musicals

ASPA Education specialises in preparing students for major events including school concerts, musicals, graduations and eisteddfods. We know how important it is to create an enjoyable experience for students and staff, as well as an entertaining performance for parents. Teachers reliably report to us the benefits of learning while creating with ASPA Education team members and parents cannot believe the lift in standard of school events in which we've had a hand.

ASPA Education can assist you by offering one or all of the following services:

- Coordination of content selection and copyright licenses
- Running or assisting with auditions
- Rehearsal and performance scheduling
- Linking content to the curriculum
- Choreography, drama, dance and singing coaching
- Stage managing and compering performances

"A huge THANK YOU for getting Rosie to come in and work with us. She was an absolute life saver. And the kids adored her. If she's available we'd love to get her to do a couple of sessions with our leads for next year's production. Or if she's not I'm sure you have someone else brilliant!"

Clare Hyland, Music Co-ordinator, Hartwell Primary School

"On behalf of all of us here at Firbank and Brighton Grammar, we could not thank you enough for your assistance with our show! The show was a great success- we have had many comments about the incredible choreography, everyone in particular loved the tap dancing. Personally, I would like to thank you for working with our schedule and creating exciting choreography for our students. They had such fun with you during rehearsals!"

Karla Nyhuis, Performing Arts Teacher, Firbank Grammar School

"The design and choreography was achievable and all the students have developed self confidence. Most importantly we have had a lot of fun. This will be a life- long memory for us all!"

Robyn Hawking, Teacher, Manorsvale Primary School

ASPA Education

ASPA Education has 40 years of experience delivering exceptional performing arts education and training in a variety of settings. Our team is made up of the very best facilitators, instructors and educators who have a wealth of experience in delivering interactive workshops that stimulate creativity, foster team-work and deliver outstanding results.
