"The ASPA ED staff are an inspiring and talented group of performing arts leaders that bring out the best in students. They have a huge assortment of activities and exercises that can be used throughout the year in performing arts or general classroom lessons. A valuable addition to any schools Performing Arts Program".

Belinda Dart, Classroom Teacher, St Liborius Primary School

"I appreciated that Drama was taught by specialists and that my teachers would be learning how to conduct a drama lesson. The students enjoyed participating in drama and it was a very worthwhile program."

Jeanette Black, Principal, St Madeleine's Primary School

"You made our students do activities we didn't think possible and they loved every part of it. The ideas we as teachers have put in our bag of tricks are wonderful and will be a resource we use often. Thanks for building the confidence of both students and us teachers. What an invaluable experience."
