# School Concerts and Musicals

Take the pressure off and let the Australian School of Performing Arts help your school to put on a show-stopping concert or musical. With the support of our ASPA Ed and REDed teams, your staff and students will enjoy the process of preparing a show that audiences will love.

*"I have recommended you to many schools. You were both exceptional and professional. As we have dealt with other companies never have we experienced the support and organisation of script, music etc. as we did with ASPA."*

## School Concerts and Musicals

ASPA's education arms, ASPA Education and REDed, specialise in preparing students for major events including school concerts, musicals, graduations and eisteddfods. We know how important it is to create an enjoyable experience for students and staff, as well as an entertaining performance for parents.

## Curriculum Alignment

All of our programs can be designed to align with the curriculum allowing your teachers to spend less time on research, lesson plans and documentation, and more time on the students' performing arts journey.

## Program Options

We can tailor our program to suit your needs. ASPA can work with your school to put on a fantastic show in as little as a week or you might like to have our support for a full school semester as you put on a more complex production.

ASPA can assist you by offering one or all of the following services:

- Coordination of content selection and copyright licenses
- Assistance with logistics, budgeting and props
- Running or assisting with auditions
- Rehearsal and performance scheduling
- Linking content to the curriculum
- Choreography, drama, dance and singing coaching
- Stage managing and compering performances

## Current Productions

We can work with content of your choice or you might like to consider selecting from one of our existing shows:

- **An Aussie Adventure** - tells the story of two ambitious Partridge Birds visiting Australia for the first time.
- **Hits of Today and Yesterday** - showcases popular hits from past decades to today's chart-toppers.
- **Songs from the Stage and Screen** - brings to life iconic songs from Broadway and Hollywood.
- **Sleighin' It: The Elves Who Saved Christmas** - tells the story of a clever group of dedicated elves who spring into action when Santa mysteriously vanishes just before Christmas.
- **Australia's Christmas Spirit Concert** - celebrates the end of the year with a selection of Christmas favourites.

ASPA has also recently staged the following 30 minute adaptations of these popular musicals:
